## OUR CLIENTS' COMMENTS SPEAK VOLUMES ABOUT THEIR GSG EXPERIENCE...

*“I would like to thank the entire Granite State Glass team for the remarkable makeover at our home last week. The newly installed windows and sliders are great and we were very pleased with the skills and efforts of Matthew, Chad, Art and the other GSG craftsmen. Please thank all involved for a job well done. We truly appreciate it and will let anyone we know that your company is the one to call for new windows and sliders.”*

M.P. - Concord, NH

*“We wanted to take the time to e-mail you about our recent window installation. Everything from start to finish was excellent! We have had windows installed from Window World and Pella. What I thought were to be the “best”, my mistake. The quality of the installation, the cleanliness and neatness of Granite State Glass puts them to shame, the difference between professionals and not... We can't say enough about the quality of the installation, and the windows themselves look great both inside and out.”*

G.T. - Effingham, NH
